## QUESTION OF THE WEEK

As we begin Advent, how am I preparing a place for Jesus in my life?

## SANCTUARY LAMP

Did you know that this candle is one of the most important candles lit in Roman Catholic Churches? The General Instruction of the Roman Missal states: *“In accordance with tradition, near the tabernacle a special lamp should be kept alight to indicate and honour the presence of Christ in the tabernacle”*. It is a sign that the Lord is present in the tabernacle and a reminder of Christ’s abiding love for us. This candle is continuously lit except from Holy Thursday evening - Holy Saturday night. Each candle lasts approximately 7 days before it is renewed.

Would you like to dedicate the Sanctuary Lamp to a loved one, living or dead. or for a specific intention? The cost is just £5. If you would like a dedication for a week, place your £5 and the intention inside an envelope with SANCTUARY LAMP on the envelope and we will publish the intention each week in the parish newsletter.

If you would like to hear some of their stories and you feel this may be your calling too, please join Archbishop Malcolm and the diaconate team at a meeting for men who may be wondering if they are called to serve as deacons and what the formation involves. Wives and supporting priests or deacons are also welcome. Tuesday, 29 November, 7.30pm-9pm in the St John Vianney Meeting Room at Christ the King Church, Queen's Drive.

## SUNDAY THOUGHTS

As Advent begins, we start to prepare for the birth of the Christ child at Christmas time. But we also remember that we are constantly waiting in hope and expectation for Christ who is to come again in glory.

It is not easy to hold onto hope, especially in a world full of change, when we can sometimes feel as though we are lurching from one crisis to the next. But at this time of year in particular, we remember the promise of hope that has been made to us. That Christ will come again to make all things new.

We do not know exactly when that will be, but it is expected of us that we be found ready and waiting, so that we are not caught unprepared.

We are called to live differently, to show our readiness to welcome Christ in how we welcome others. Especially those who are poor, vulnerable or marginalised in any way.

### ***Light up our lives***

*Christ, come into our world of darkness*

*Light up our lives with your coming.*

*Fulfil all our longings with the joy of your birth*

*Strengthen our resolve to work for change in our world*

*And to share the hope of your birth that each Advent brings.*

*Amen.*

**"The Lord comes that we might find him in this world of ours." Laudato Si' #236**

As the UN conference on Environment closed last week, we were reminded how the poorest countries are paying the highest cost for the environmental crisis. During advent, CAFOD is offering daily prayers to help us reflect on this season, and as we remember the Holy Family, how we too can respond to the call of the poor.

## **CHURCH REGISTERS**

Our parish registers contain information which reveals a person's religion and personal details, so we can't send copy of entries to people who are simply asking for a friend or relative's information. We can only send copy of entries to the person whose information we have. This is because of data protection law. This means we can't give out information from our registers without checking who is asking. Parish Priests have recently been given further information on this issue.

All parishes must now ask anyone who requests information from our parish registers to provide evidence of their identity so that we can be certain that we are giving the information to the person who received the sacrament.

If you need copy entries such as a baptism certificate for a child under 12 we must ask for evidence of the parent's identity and a copy of the child's birth certificate. A person over 12 must ask for the information themselves or write authorising the release of the information to the person asking. Both people would need to supply proof of identity.

By evidence of identity we mean, driving license, passport, bank statement, credit card statement or a letter from a government agency. Parishes will not keep any proof but will be handed back to the person or the proof will be destroyed.

If you need a certificate for someone who has died we must ask for a copy of their death certificate.

Where 110 years have passed after the date of baptism or confirmation, or 100 years after marriage, the person who received the sacrament is presumed to have died. As data protection law does not apply to the information of those who have died, we can provide information without needing to check identity. If the sacrament was received more recently, then we need to ask for a copy of a death certificate before any information is shared.

### **'Come away to a quiet place for a while'**

Advent reflection days at Ince Benet Retreat Centre

Christmas Presence 1: Enthusiasm and hope in the world. A day of reflection on responses to John the Baptist, then and now. People came to the River Jordan to prepare for the coming of the Messiah; they returned to daily life full of enthusiasm and hope. We can repeat the journey, Sunday, 4 December, 10.30am- 3.30pm.

Christmas Presence 2: 'Be it done unto me according to your word'. A day of reflection on Mary's doubts and response to God's call. Mary had many good reasons to say, 'Not me, Lord', but said 'Yes'. We can respond either way to our call to bring Christ into the world. Wednesday, 7 December, 10.30am-3.30pm.

Ince Benet, in Ince Woods 3 miles from Crosby, is a beautiful and convenient place to accept Jesus' invitation to 'Come away to a quiet place' at a busy time of the year. See the website, [www.incebenet.co.uk](http://www.incebenet.co.uk) to see the facilities and the surrounds. If you wish to turn the day into a retreat, accommodation is available for one or more nights.

For further information or to book for either or both of these days contact Martin and Maria Bennett or Canon Rod Garner: phone: 07931902346 email: [ince.benet@gmail.com](mailto:ince.benet@gmail.com) Suggested donation for the retreat days: £10 per person. Tea and coffee provided. Please bring your own lunch. Martin Bennett writes weekly reflections on Scripture, leads Scripture groups and gives talks and retreats on living the Gospel in daily life.

**MARY'S MEALS**—again this year have their 'Double the Love' appeal. Until 31 January 2023, donations to Mary's Meals will be doubled thanks to a generous group of supporters, up to £1.5 million. This includes donations made through our lovely gift cards and life-changing gifts! You can place your order online or by calling on 0800 698 1212. Together, we can reach even more little ones with a nutritious school meal. [www.marysmeals.org.uk](http://www.marysmeals.org.uk)

## **JUBILEE YEAR 2025**

As we are quickly approaching the end of this liturgical year, it may be good to cast our glance towards what is coming. Some of you may be aware that the year 2025 will be a year of jubilee, and the motto will be **“Pilgrims of Hope”**. A Jubilee Year takes place in the Catholic Church every 25 years, the last being the Great Jubilee of the year 2000.

In preparation for this jubilee year, Pope Francis wrote a letter in which he calls the Church to renew its awareness of the universal call to responsible participation. Hence, in 2023, we are invited to focus on the four major constitutions of the Second Vatican Ecumenical Council, and all the supporting documents. This new year is liturgically starting in 1 week, with the first Sunday of Advent, and non-liturgically in less than two months. Afterwards, we are to celebrate 2024 as a year of prayer in preparation for the jubilee year. The Pope’s vision for 2024 is worth quoting in full, and worth praying with.

*“In this time of preparation, I would greatly desire that we devote 2024, the year preceding the Jubilee event, to a great “symphony” of prayer. Prayer, above all else, to renew our desire to be in the presence of the Lord, to listen to him and to adore him. Prayer, moreover, to thank God for the many gifts of his love for us and to praise his work in creation, which summons everyone to respect it and to take concrete and responsible steps to protect it. Prayer as the expression of a single “heart and soul” (cf. Acts 4:32), which then translates into solidarity and the sharing of our daily bread. Prayer that makes it possible for every man and woman in this world to turn to the one God and to reveal to him what lies hidden in the depths of their heart. Prayer as the royal road to holiness, which enables us to be contemplative even in the midst of activity. In a word, may it be an intense year of prayer in which hearts are opened to receive the outpouring of God’s grace and to make the “Our Father,” the prayer Jesus taught us, the life programme of each of his disciples.”*
